The Children's Church lessons will be in a green folder box on the counter. Pick one from the front as they are numbered. When completed, place in the box at the back of the other folders. There is a lesson, along with a coloring page. Snacks are in the cabinet on the second shelf. There are also snacks to accommodate gluten allergy. Please let me know when it is getting low so I can replenish it. Also, we are trying to keep track of how many children attend; please let us know who is attending by writing it on the yellow sticky in your weekly folder. Thank you so much for wanting to help. – Candi Milam

If you are unable to serve when scheduled, please call and switch Sundays with another volunteer on the list.
