Junior Deacons are expected and asked to:

1. Be present at worship on the Sundays scheduled to serve, and report your presence to the team captain.
2. Receive the offering during the service.
3. Fill in for a Deacon serving communion if necessary, or in any other way needed.
4. If unable to serve when scheduled, see that another Junior Deacon will serve on that Sunday as a favor or as a trade. If you are subbing, tell the Captain before the service.
5. Captains are to check on their team before the service. If someone is missing, arrange for another Jr. Deacon or ask the Deacon Captain for a substitute.
6. Other youth can also substitute.
