ACOLYTE INSTRUCTION

Bringing the Light of Christ into the Service

1. Walk forward to light candle sticks when the organist starts playing the Prelude
2. Hold lighter straight up as you walk
3. Light Altar (Communion Table) candles first
4. Then light Candelabrum candles left side to right side

Taking the Light of Christ into the World

1. Start down the aisle on the Invitation Hymn (the Usher will probably signal you when to begin)
2. Put out Candelabrum candles first, right side to left side (on stands)
3. Light your stick at the Communion Table
4. Extinguish the Candles at the Communion Table
5. Stand on each side of the minister with your lit stick
6. The minister will signal for you to go, and he will follow you down the aisle
7. Extinguish the stick once you are at the back doors

The lighting of the candles is an important part of our worship. When candlelighters do their part well, it adds special meaning to the service. Thank you for your good work!
