

DEDICATION OF LEADERS

January 14, 2024

Our leaders are important, and we are very grateful we have them! But we won't turn them loose – without turning them over to God. So, on this second Sunday of the new year, I get to introduce them – and we will all dedicate them and their work to God. This is not just a good thing to do – it's a God thing – so let's do it with Him.

Follow along with the insert and I will read the names of our newly approved and appointed leaders and ask them to come up and make a line across the front – then we'll need all continuing leaders to come stand behind them. So . . . our church leaders, called by God and FCC, for 2024 and beyond are:

Officers:

Chairman of the Board – Jacob Thomas
Vice-Chair of the Board – Edna Creech

This is exciting – and healthy! We are glad to be a church that has and involves so many, and we're glad you said "yes" when called! Thank you all!

Now – we need all continuing Elders, Deacons, Deaconesses, Jr. Deacons, Trustees and Ushers to come forward and space yourselves behind these leaders. Using the age-old symbol of laying on of hands, put your hands on the shoulders of our new leaders . . . as "I" lead us in a prayer of dedication.
